Letter to Parents or Carers of F1 Children

Police Officer visit to Nursery

Dear Parents or Carers

This half term in nursery, we are learning about people who help us in our local community. This will include talking about the local fire station, the local library, doctors, nurses, and the police.

To make learning more meaningful to the children, we have arranged for a police officer, PC McCabe to visit nursery to talk about how the police help people. This will take place on the morning of Wednesday 8th October.

Due to the age of the children, PC McCabe will attend in uniform, minus her belt (handcuffs and baton). The focus of the visit will be to find out how we know someone works for the police and how the police help people in the community.

Apologies if this visit is not during a session that your child attends, PC McCabe has indicated that she may be able to make an additional visit, later in the school year on a different day of the week.

There are no costs involved to participate in this visit.

Please speak to a member of the nursery team if you would like more information.

Kind regards,
