

4th October 2019

Letter to all Parents/ Carers

Dear Parent/ Carer

As part of our PSCHE Curriculum, we are developing our teaching of British Values across the school. We believe this will help to grow an inclusive culture of tolerance and acceptance of society as a whole.

We are looking for guest speakers to come into school to speak in assemblies and classes to the children from different positions in society which uphold British Values. For examples Police Officers, members of different religions or religious centre leaders and anybody with links to the court or law.

If you are in any of these positions, or know anybody who is, please could you get in touch with Miss Henderson or Miss Johnson at school or pass their details on to the office.

Thank you for your continued support.

Yours sincerely

Mr Blakeley- Head teacher
Miss Henderson – Year 4 teacher & Safeguarding Lead
Miss Johnson – Year 5 teacher
