Letter to Parents/carers of Y5 children

Dear Parent or Carer,

Year 5 Puberty, Sex & Relationships Education

During this half term, the Year 5 children will begin a series of lessons on the changes that occur during puberty, including sex and relationships education.

The lessons will be taught by the Year 5 teachers and will be in line with the school's Sex and Relationship Education Policy.

The children will also have the chance to post their own questions in a box at school that they wish to be answered in the lessons. If we decide a question is beyond what we teach in school, we will refer it to home to be answered.

The materials that we use in school for these lessons will be available for you to view on Thursday 18th January between 3.15 pm and 3.45 pm in the Year 5 comet classroom. Miss Johnson and Miss Smith will also be available if you wish to discuss any aspects of these lessons.

If you DO NOT wish your child to take part in these lessons please contact your child's class teacher.

Thank you for your continued support.
