## Friendship

My neighbour Sally is my best friend. We have been neighbours for three years now.

After school we meet each other in the playground. We swing and jump around the jungle gym. Sally likes gymnastics. She is very good at swinging on the bars. She makes funny noises like a monkey when she swings. She makes me laugh.

At the weekend Sally often comes over to our house for a picnic. We make chicken sandwiches and fresh lemonade. We sit outside in the garden. I like reading so I read Sally my story books.

Sometimes, my little brother, Andrew, follows us around. He thinks Sally is funny. He says, "Make the monkey sound please Sally." We both make the monkey sound. We wave our arms and chase him around the garden. We all fall over and laugh.
