

21.03.20

Dear parents / carers of F2 children,

May I express my gratitude for the overwhelming love and support that so many of you have shown to myself and my fantastic F2 team over these last few days.

As a team, we are still struggling to come to terms with the realisation that we have had to close our classroom door; initially to you as parents, but now to our F2 family.

It really does tug at our heartstrings that our shared learning journey with your children has come to such an abrupt standstill. It feels surreal that there is an uncertainty of when we will welcome your children back through the school gates. We sincerely hope that this will be in the not too distant future.

During this time of uncertainty, as well as being involved in the care of keyworker children, myself and Mrs Parry will plan to provide guidance for learning opportunities for your children at home.

We are at a slight advantage in Foundation Stage as we have Tapestry and your accounts will remain open.

Over the next few days, your child's learning journal as it stands, will be exported as a pdf document. You should receive an email prompt that will enable you to download the document to your own device.

We are hopeful that we will be able to add to your child's Tapestry account with further experiences in school before Summer, however, at this moment of time it would be lovely if you are able to add posts of the things that you are doing at home as a way of us all keeping in touch.

Please stay safe and well.

Katrina Bates
