

F2 – Water

Spring 1

Pictures to discuss	How you can help at home	Key vocabulary	
   USES OF WATER   	• Can you make a list of how many ways you use water in your house? • Can you go on a walk along the canal? How many boats do you see? • What types of animals live near or on water? Can you draw a picture of your favourite? • Can you take some photographs of water in your home?	Water	A liquid that forms seas, rivers and canals.
		Canal	A man-made water way built to allow transport around the UK.
		Drain	A hole for waste water.
		Boat	A small vessel for travelling over water.
		Rain	Moisture that collects in clouds and falls as raindrops.
		Source	A place where water begins its journey.
		Float	Items that rest or move on or near the surface of water.
		Sink	Items that go under and down below the surface of water.
