

# Hopton Primary School Virtual Sports Day

On Tuesday 7th July 2020 children who were in school took part in a virtual sports day.

This included taking part in 4 different activities that all had an element of challenge.

These were; 1. Speed bounce, 2. Netball challenge - throwing and catching the ball with added challenges such as throwing and trying to lay down before catching, 3. Basketball challenge - throwing and aiming at markers and 4. Keepie uppie challenge.

The weather was not on our side, however, all the children seemed to really enjoy the challenges.

We submitted our scores to The Yorkshire Sports Foundation, unfortunately we did not win, however, the most important thing is that the children had a great time and we were still able to take part in a sporting event despite the current restrictions.
