

## Monday

Read the story Ronald the Rhino power point

Talk about the setting of the story. Where do rhinos come from?

What do the children know about rhinos before they begin to read the story?

Talk about why Ronald wants to be like the leopard and the snake. How do the other animals help him realize he is special?

Task 2 The crossword

Task 3 The jungle word search

## Tuesday

Task 1

Read the information sheets about what a rainforest is and answer the questions.

Task 2

Cut out the labels to go on the table of animals in the layers of the Rainforest.

Draw animals in the correct place on the picture

## Wednesday

Read about leopards or rhinos

Write some facts about the animal.

How many interesting sentences can you write for each paragraph?

- Remember, don't copy the words from the text. Turn the text over so you can't see the words. Make up your own sentence, write it down and check for sense, capital letters and full stops. If you cannot think of a sentence to write, read one of the paragraphs you like again.
- Can you use some adjectives?
- Useful sentence openers. ....

Did you know.....? Believe or not.....! Also, ..... Plus, ..

Interestingly,.....

Task 2

If you have got time choose another animal to write a fact file on.

# Thursday

Have a go at writing a riddle.

A riddle is when you give clues to the name of the animal but don't say the animal name.

If the clues are good enough then people should be able to guess the animal name.

Eg. I walk slowly because I carry my house around.

I have legs like an elephant, but a lot smaller.

I can make a burrow with my sharp claws.

Believe it or not, I can live longer than humans!

What am I?

Use some adjectives to make your sentences more interesting.

Use some conjunctions to make your sentences longer

# Friday

Read the power point about food chains together and talk about what one is.

Make up some food chains of animals that the children know.

Task 1

Have a go at the Ronald the Rhino food chain.

Task 2

Have a go at designing your own rainforest animal.
