Dear Parent or Carer

'Share Aware'

Over the next couple of weeks children will be learning about 'Share Aware' in school.

This is an online safety resource from the NSPCC about what should and should not be shared online.

The resources are aimed at KS2 children but have been adapted for our younger children so that they are age appropriate.

You can find the resources on the NSPCC website by searching Share Aware.

If you have any question then please speak Miss Henderson (Safeguarding Lead)
Many Thanks
