Online Safety Newsletter

Issue 3

Dear Parent or Carer

Please find attached information related to online safety.

We subscribe to E-safety Support, from where we are able to access information.

Some of this may appear to be 'too old' but I am aware that many of you have children at High School.

I will continue to send you information, that I believe is important to read and act on. It is extremely easy for all children to utilise the internet and social media, but occasionally their innocence is a weakness others exploit.

During this year, both in class and in assembly we will use age appropriate information to support the children.

The factsheet (issue no 4) has a number of good tips and a number of sites for online safety which you should be aware of.

Yours sincerely
