

Hopton Primary School

'Aiming High and Helping to Create the Future'

Headteacher: Mr. B Smith

Monday 15th June 2026

Dear Parent/Carer

Castle Hall Science Lessons

This Wednesday morning, 17th June, all Year 5 and some Year 6 children have been invited to take part in some science lessons at Castle Hall. This is a fantastic opportunity to develop the children's understanding of secondary school science.

The children will be accompanied by members of staff of Hopton Primary School. They will be walking to Castle Hall after registration and returning in time for lunchtime.

Depending on the weather the children may need a waterproof coat or suncream to be applied prior to school.

If you do not want your child to attend, please contact their class teacher.

Many thanks

A handwritten signature in black ink, appearing to read 'Ben Smith', written in a cursive style.

Ben Smith
