Letter to Parents and Carers of Year 5 Children

Dear Parent or Carer

This year the children in Year 5 have been taking part in a RESPECT programme along with other schools in the local area.

We have looked at respecting ourselves, and others, and this half term will be looking at respecting our community.

As part of this, the children will be visiting Mirfield fire station to take part in some activities on why looking after our community is important. The children will visit during school hours and will walk to and from the station. The session is half a day. Your child will either be attending on the morning or afternoon of Wednesday 24th June 2026.

If you do not want your child to take part, please speak to their teacher.

Kind regards

A handwritten signature in black ink, appearing to read 'B. Smith'.
